Dear Mark

Re: Broadwater School Summer Event – 'It's a Knockout' Raffle

I am writing on behalf of the Friends of Broadwater School to thank you for the kind contribution you made to the raffle we held at our 'It's a Knockout' summer event which took place on Saturday 11th July.

The aim of the event was to promote the school and to raise funds for an outdoor seating area. Officially opened by the Mayor of Waverley the event was a great success attended by pupils and families of the school, as well as by people from the local community. The event consisted of an arena with team games on inflatable equipment together with stalls run by the pupils and other attractions including the raffle.

We were very grateful you could support our school by donating a prize for the raffle and we credited your company in our programme, a copy of which is enclosed with this letter. The event was also reported on the front page of the Surrey Advertiser newspaper and in a local publication called 'Round and About'.

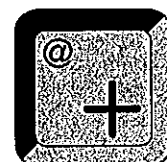

After all the costs were taken into account, covered mainly by money raised by families of the school and some sponsorship, we made a profit of £884 on the day. This has been put towards the purchase of a sail for the new outdoor seating area built over the summer holiday for use by the upper school pupils.

I apologise for the delay in writing but thank you again for your support and donation.

Yours sincerely

Liz Mitchell
Friends of Broadwater School Committee Secretary
