Dear Mr Chandler

Thank you very much for taking part in this years Jump To It Skydive on 17th March 2011 and for raising £869.96 in sponsorship. This total is for both online and offline donations and does not include gift aid, so it is wonderful that this amount will go up even further once gift aid has been claimed. It was wonderful to be supported by 15 Jumpers and we hope you enjoyed the experience. Thank you for taking on this brave challenge in aid of the Hospice.

We have been so touched by the generosity of your family and friends so please do pass on our thanks to all those who very kindly sponsored you.

We are so grateful for your support – you may know that all of our services are free of charge to our patients and their families but over the last five years we have seen the proportion of our NHS funding reduce to cover just 12% of our total costs. As a result, the Hospice now has to raise nearly £15,000 every day to provide our full range of services which enable us to support 140 people each and every day. This significant increase means that, more than ever before, we rely heavily on the support and generosity of our local community to provide our current services. Our specialist services are provided in our eighteen-bedded in-patient unit, our thriving Day Hospice, out patient clinics, group work and through our community team supporting people in their own homes.

Thank you once again for your generosity. Your donation is helping us to reach more patients and their families when they need us most.

Yours sincerely,
