

Thanks Vale Furnishers for our gorgeous new sofa It was great to receive such fantastic customer service throughout the whole process too. From the two people in the salesroom who gave us lots of information and talked us through all the options in a friendly and professional way, to the person who called to arrange delivery who could not have been more friendly or accomodating, to the two guys who delivered to us on Saturday - polite, friendly and even lent a hand and expertise in moving an old armchair upstairs! So so pleased with both the service and the sofa.

Thanks!
